

Golden Rules for a Happy Breakfast Club!

Sign in on the screen outside the main office before coming into school.

Put your coats and bags in the right place when you come into the hall, staff will show you if you are not sure.

Get everything you want to eat/drink from the counter.
Please do not bring your own food/drink/sugar etc to Breakfast Club.

Sit down at a table to eat.
There will be specific tables for each class. Staff will help you with this if you are not sure.

Clear your own breakfast pots away when you have finished eating – staff will show you how to do this if you are not sure.

Tell staff about any spills straight away so that they can be cleared up and made safe.

Ask staff if you need to leave the hall for any reason, for example to go to the toilet.

Let's all start our day with a
